SOLIDARITY WITH FRENCH CIVIL SERVANTS' STRIKE 10 OCTOBER

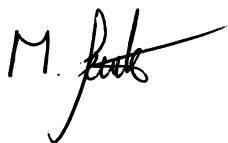

The Public and Commercial Services Union (PCS) expresses support and stands with our comrades in France taking part in the strike on Tuesday 10 October.

“On behalf of PCS, I send our full solidarity for your strike. You have the complete support of PCS in challenging the attacks on working people, the fight for wage increases, opposing the proposed job cuts, and worsening conditions for sickness absences and ill health.

“We are absolutely clear that your fight is our fight. PCS members have taken action over attempts by the government to cut employment rights such as pensions and redundancy pay for their own staff in recent years and have shown how successful such campaigns can be.

“We wish you every success with your campaign to secure decent wages and a programme of investment in public services. Please let us know if there is any other practical support we can provide.”

Fraternally,

MARK SERWOTKA
General Secretary
